## Movimento e resistência para o seu móvel

Em 2022 lançamos o **Rodízio Preto/Fumê**, para mobílias que pedem detalhes elegantes, porém, discretos.

Ao criar este novo acabamento pensamos em algo que pudesse agradar visualmente e combinar com as características dos mais variados tipos de móveis e ambientes.

Com este acessório imperceptível é possível deslocar os móveis, movimentando-os com facilidade.

# UM MUNDO NOVO DE INFINITAS POSSIBILIDADES...

---

Inspirados nas principais tendências de cores e, para atender a demanda do mercado de decoração, em 2022 lançamos a Linha Italy Possibilità, com novos acabamentos em puxadores e acessórios, para móveis e espaços que pedem tons sutis, porém impressionantes.

A personalização dos produtos e a assistência ao cliente fazem parte do nosso princípio. Na Linha Italy Possibilità o cliente tem a liberdade de escolher o tom que deseja, criando #infinitaspossibilidades de decoração de acordo com a sua característica e personalidade.

Utilizando matéria-prima de alta qualidade, adequada para criar novos tons, garantimos em todos os produtos o padrão Italy de qualidade, atendendo o que o cliente mais precisa: rapidez na entrega.

Nosso objetivo é superar as expectativas dos clientes, combinando harmonia visual nos detalhes e experiências sensoriais positivas, sempre em conformidade com as políticas sociais e ambientais.
